WHAT WAS "HOT" IN SMURF COLLECTIBLES A DECADE AGO!

At the peak of the Smurf craze in the U.S.A., numerous U.S. catalogs offered a vast array of great Smurf items.

After a long investigation and search, here at Club Headquarters, we have succeeded in putting together what we are sure will prove to be a very interesting, nostalgic and informative Newsletter of "Smurf Collectibles Past."

Many of our collectors began their collections after these dates and are extremely interested in identifying and locating items that they missed.

Others will, hopefully, discover items they didn't even know they were longing to add to their collections.

Certainly, our vast European membership will really be adding to their want lists after they read this!

We will not show photos of Smurf clothing. We will list these items with their descriptions and prices.

All items are Licensed by Wallace Berrie. Unfortunately, manufacturers' names were not provided. Please refer to the Wallace Berrie Licensing Book published by the Club for more information on this topic.

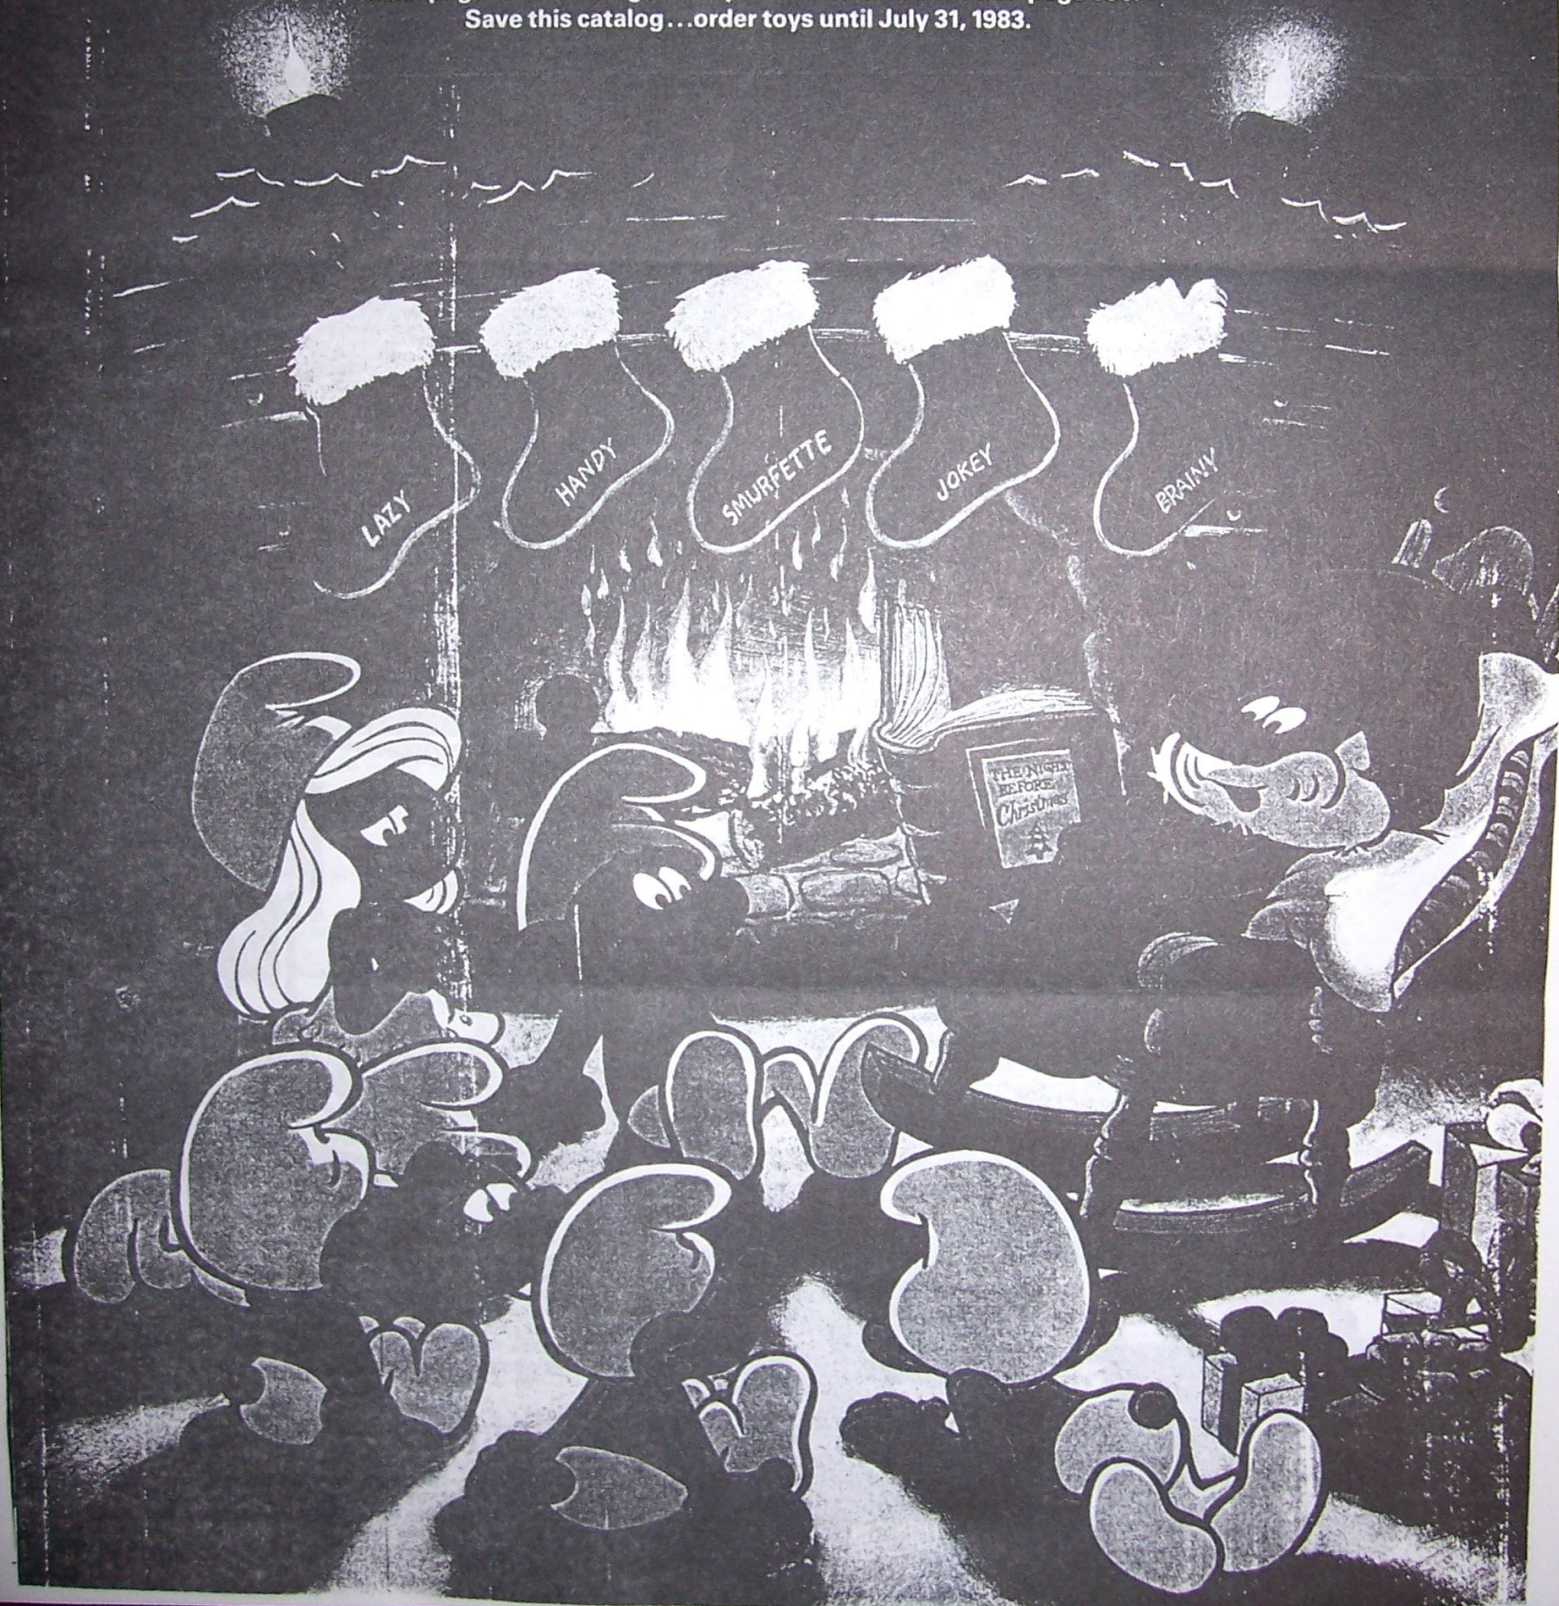

Original 1982 catalog prices are listed for your information.

ENJOY! SEND US YOUR "WISH LISTS."

COLLECTORS' COMMENTS...

It is with great pleasure that we share the following letter with all our members.

Dear Suzanne,

I'm the "Smurfette" in the TV show, having created her voice.

A friend showed me a copy of your Smurf publication. I think it's great!

I'm sending my check for membership and also for the Cartoon Episode Guide.

Like true candidates I'm casting my vote for "Smurfette" for President. All the best!

Lucille Bliss

SPECIAL NOTE: Lucille's photo was featured in Newsletter 17, Summer 1990.

Dear Lucille,

I hope you are pleased that "Smurfette" came in second in our Club Election!

On behalf of our entire membership, we would love to hear more about your role as "Smurfette" or anything special you would like to share with us.

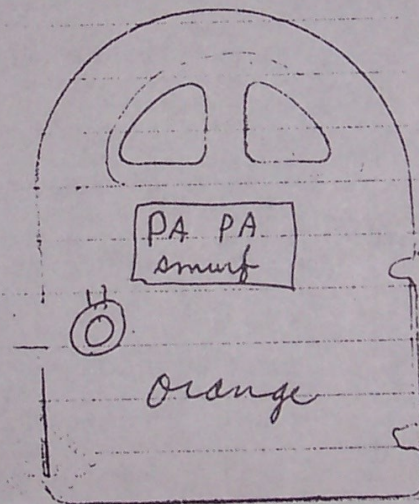

Suzanne

Dear S.C.C.I.;

I was wondering if I could get some help from the Club and or it's members. I have located a door that I do not know what it belongs to! The door is all I have.

Lila A. from Ill.

Members: Can anyone help? Any information will be appreciated.

Dear Suzanne;

In Newsletter 26 you had a list of "First-Run" figurines. There is one that you omitted to mention.

#20176 St. Patrick First-run: Painted Red hat band.

(German) Subsequent change:

Hat band not painted, all black hat.

Terry from Pa.

Dear Suzanne,

You published last quater a question that I was seeking an answer to. Is there a Smurf Egg Cup? Well, happily I have found the answer.

There is a Smurf Egg Cup photed in an Egg Cup Collectors Guide. It doesn't contain much information.

"The Smurf Egg Cup is marked on the base Paso-Sepp denoting that it is foreign-made."

V.M. from Canada

Dear Suzanne,

The Cartoon Episode Guide is GREAT!!! It is a great source for me to i identify my Smurf CELS!!!! Thanks

Jeff from Va.

COLLECTORS' COMMENTS...

Dear Suzanne;

I just wanted to send a note conveying my appreciation for the book, "Smurf Cartoon Episode Guide." What a lot of work must have gone into writing it! Please let Ron R. know that this Smurf fan is thankful for his efforts.

Karen S. from N.J.

Dear Suzanne;

I was told a Smurf was given out to people who attended the Republican Convention. Do you know anything about this? If so, which Smurf was given and are they available from the S.C.C.I.?

Dawn G. from Ohio

Dear Members;

Does anyone know anything about this? This is the only letter of this nature we have received.

Suzanne
